SYNTHETIC TEST DATA - NOT A REAL CASE

VINDICATED | USER-SUPPLIED RECORDS

Review brief

An overview of the enclosed records, with references to the complete appendix.

Prepared for My own reference | Nov 1, 2026, 6:00 PM PST
Times: America/Los_Angeles. Unknown dates remain unknown.

12	2	0
reviewed entries	original files	undated entries

Period covered

Oct 2, 2026, 6:00 PM PDT through Oct 30, 2026, 5:00 PM PDT (entries with times)

4 exact dates and times; 8 approximate; 0 date only; 0 unknown. Counts describe entries, not separate incidents, visits or days of care. Long imported messages can span multiple entries.

What is documented

Exchange	**8**
Communication	**1**
Parenting	**3**

Parent-reported check-ins: On time: 4 | Late: 3 | No-show: 1. These are reported statuses, not findings of compliance or custody-time percentages.

Evidence and context

2 images. 0 reviewed note versions retained alongside originals.

Where to find everything

Appendix A: complete chronological records and every approved note version.
Appendix B: numbered photos, screenshots and original-file references.
Appendix C: later corrections and file checks. Full change history is in the package.

The complete package includes these documents, unchanged original files, full record data and searchable spreadsheets. Original files may include material beyond the selected entries.

Record excerpts

Chosen by the parent. Excerpts may be shortened and whitespace condensed; complete entries and versions are in Appendix A. This is not a ranking.

RECORD 3 | Oct 7, 2026, 5:00 PM PDT | Parent note

School conference

I attended Avery’s scheduled school conference in Seattle. The teacher discussed reading practice for the month.

RECORD 4 | Oct 9, 2026, 6:00 PM PDT (approximate) | Exhibit 1

Pickup: Late (about 30 min)

Pickup was about 30 minutes late (planned 6:00 PM).

RECORD 6 | Oct 14, 2026, 5:00 PM PDT | Exhibit 2

Dental appointment

I took Avery to a routine dental appointment in Seattle. I paid $120 and saved the receipt.

This brief uses record counts and shortened excerpts. It does not assess credibility or legal significance. Parent review is not independent verification. File fingerprints check local consistency, not authorship, truth or an event date.

Packet selection: 2026-10-01 through 2026-10-31 (America/Los_Angeles); all entry types; all matching entries; undated entries excluded. | All displayed times: America/Los_Angeles.

Appendix A - Complete records

Original notes and all approved versions follow. For imported records, the file is the original; reviewed notes are the parent's account. Undated records do not establish a chronology.

1. Pickup: On time

Oct 2, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: On time
> Pickup was reported on time (planned 6:00 PM).
> Exchange type: Pickup
> Planned time reported by parent: 2026-10-02T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Parent’s context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

2. Drop-off: Late (about 15 min)

Oct 4, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: Late
> Drop-off was about 15 minutes late (planned 6:00 PM).
> Exchange type: Drop-off
> Planned time reported by parent: 2026-10-04T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Lateness reported by parent: about 15 minutes
> Parent’s context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

Oct 7, 2026, 5:00 PM PDT | Parenting

Children: Avery | Topics: School

Original note, as entered

> I attended Avery’s scheduled school conference in Seattle. The teacher discussed reading practice for the month.

4. Pickup: Late (about 30 min)

Oct 9, 2026, 6:00 PM PDT (approximate) | Exchange | Exhibit 1

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: Late
> Pickup was about 30 minutes late (planned 6:00 PM).
> Exchange type: Pickup
> Planned time reported by parent: 2026-10-09T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Lateness reported by parent: about 30 minutes
> Parent’s context: Avery and I waited inside the Seattle library. The message is attached.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

5. Drop-off: On time

Oct 11, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: On time
> Drop-off was reported on time (planned 6:00 PM).
> Exchange type: Drop-off
> Planned time reported by parent: 2026-10-11T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Parent's context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

6. Dental appointment

Oct 14, 2026, 5:00 PM PDT | Parenting | Exhibit 2

Children: Avery | Topics: Medical

Original note, as entered

> I took Avery to a routine dental appointment in Seattle. I paid $120 and saved the receipt.

7. Pickup: No-show

Oct 16, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: No-show
> No-show reported for the pickup (planned 6:00 PM).
> Exchange type: Pickup
> Planned time reported by parent: 2026-10-16T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Parent's context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

8. Drop-off: On time

Oct 18, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: On time
> Drop-off was reported on time (planned 6:00 PM).
> Exchange type: Drop-off
> Planned time reported by parent: 2026-10-18T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Parent's context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

9. School contact update

Oct 21, 2026, 5:00 PM PDT | Communication

Children: Avery | Topics: School

Original note, as entered

> I sent the school contact update to Jordan and saved a copy in my record.

10. Pickup: Late (about 15 min)

Oct 23, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: Late
> Pickup was about 15 minutes late (planned 6:00 PM).
> Exchange type: Pickup
> Planned time reported by parent: 2026-10-23T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Lateness reported by parent: about 15 minutes
> Parent's context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

11. Drop-off: On time

Oct 25, 2026, 6:00 PM PDT (approximate) | Exchange

Children: Avery | Topics: Exchanges

Original note, as entered

> Exchange check-in: On time
> Drop-off was reported on time (planned 6:00 PM).
> Exchange type: Drop-off
> Planned time reported by parent: 2026-10-25T18:00:00-07:00
> Timezone: America/Los_Angeles
> Check-in recorded: 2026-11-01T18:00:00-08:00
> Parent's context: Exchange recorded at the agreed Seattle library.
> Status reported by the parent. No saved schedule was used for this check-in.
> The timeline uses the planned time as an approximation, not an actual arrival time.

12. Reading practice

Oct 30, 2026, 5:00 PM PDT | Parenting

Children: Avery | Topics: School

Original note, as entered

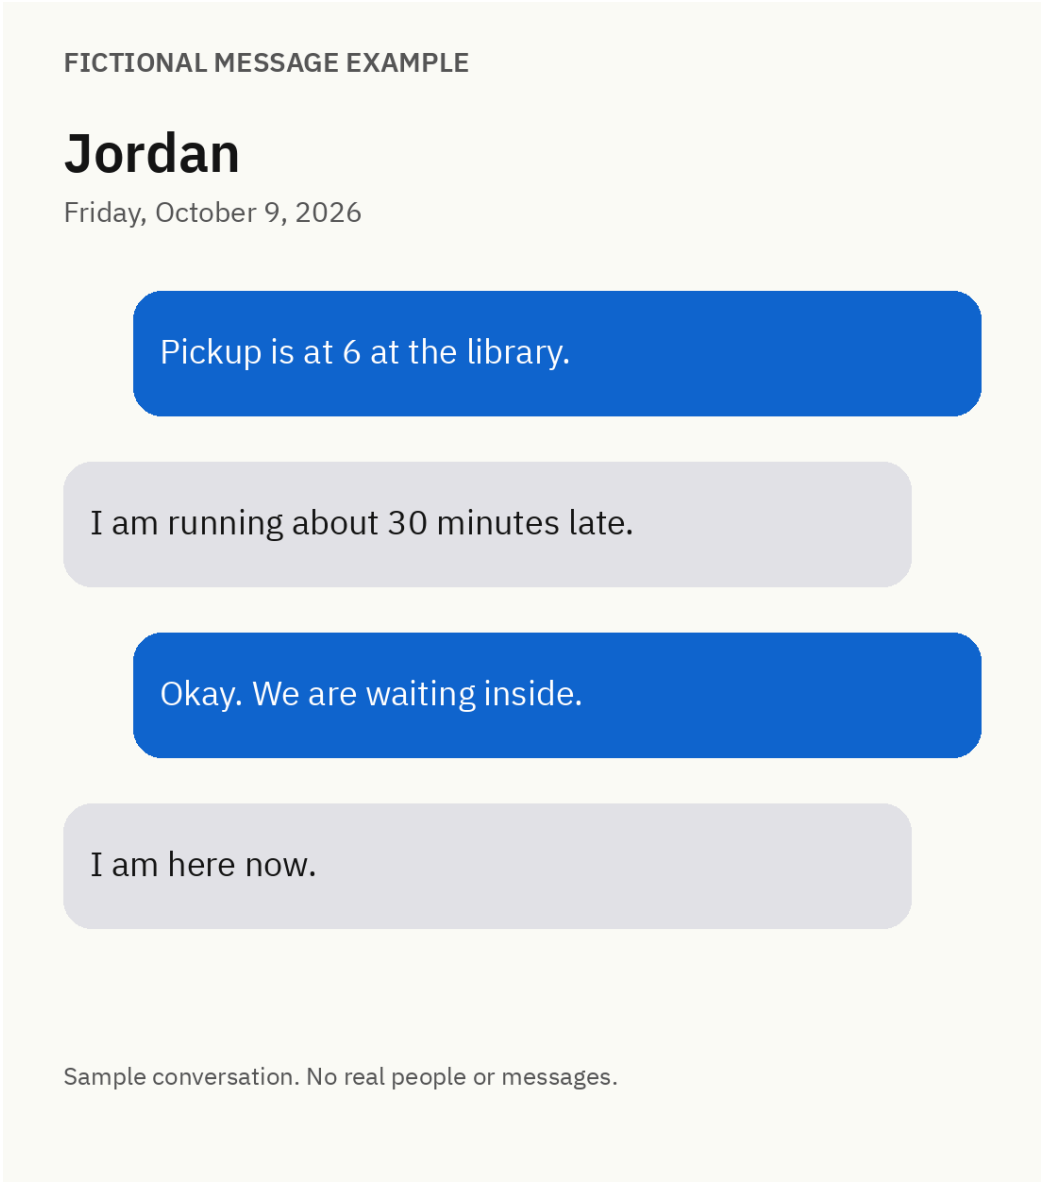

> Avery and I completed the reading practice recommended at the school conference.

Appendix B - Original exhibits

Original files are included whole in the bundle and may contain material beyond the selected entries. Images below retain their full frame. Full filenames and exact source metadata are in record-data.json.

Exhibit 1 - October-9-pickup-message.png

Imported Oct 10, 2026, 10:00 AM PDT. This is not the event or creation time.
